

Regulations Excluding Leaves & Grass  
Clippings from Trash Collection

The Walpole Board of Health passed a regulation excluding the disposal of leaves and grass clippings with residential trash collection. However, the Board of Health instituted a program that grass clippings, leaves, and chipped wood can be composted at Robbins Road.

For more information please contact the Health at 660-7321.

Effective immediately.  
Adopted September 25, 1990  
Revised July 3, 1991

Joanne Muti  
Chairperson, Board of Health
